

ATTENTION ALL PUBLIC EMPLOYEES!

ARE YOU CONCERNED ABOUT **RETIREMENT** CHANGES? TOO BUSY WORKING TO KEEP UP WITH THE LATEST LEGISLATIVE PROPOSALS AND CHANGES?

ARE YOU VESTED IN NEVADA PERS (5 YEARS)? YOU CAN HELP! JOIN RPEN! Teachers, police officers, firefighters, city, county & state public employees and EVEN their spouses are able to join the Retired Public Employees of Nevada even while actively employed. Strength in numbers counts when we lobby on your behalf. RPEN has more than 9,000 dues-paying members in 19 chapters across Nevada. We want to increase that to over 10,000! RPEN is the **ONLY** organization in Nevada representing **ALL** public employees. Adding your voice makes our voice **LOUDER** at the legislative sessions and beyond!

Individuals may join RPEN if they are:

- Any employee of a public agency contributing to Nevada PERS (Public Employees' Retirement System) who is vested (5 years); or public employees age 50+, vested or not.
- Any individual receiving a retirement, disability, or survivor allowance from the Nevada Public Employees' Retirement System.
- The spouse of a person described above.

Q. WHAT DOES IT COST TO JOIN?

A. Dues are only \$5.00 per month, less than the cost of a gourmet cup of coffee! No need to send a check with your application; you will be billed on an annual basis.

RPEN's efforts have contributed to constitutional protections of our PERS system; post-retirement increases of retiree pension benefits; and an awareness of the importance of a solvent, sound retirement system. We are also working with the Social Security Fairness Coalition to repeal the Windfall Elimination Provision (WEP) and Government Pension Offset (GPO) so those with Social Security credits can collect more upon retirement.
