

# Referral Fund Program

---

Findlay Toyota Referral Fund is set up for Schools, Businesses and Organizations to raise money for their cause, based on participation of sales referrals from Members Discount Benefit Program. Opt. #1 Findlay Toyota will pay \$100.00 to your organization for each sold vehicle under your company's name; funds can be used for things such as Scholarships, Hardships, Company Events, Charities, or Rainy-Day Fund etc. Or Opt. #2 \$100.00 Instant Voucher for accessories upon purchase of vehicle, you decide.

## How It Works!

1. Your organization promotes Member Discount Benefit Program to all employees, staff, students, members etc.
2. Members will receive instant discounted pricing and all benefits with your assigned company's name, along with a printable Certificate they will present at the dealership to be validated at time of purchase.
3. When members purchase or lease any new or pre-owned vehicle with certificate from Findlay Toyota, we will pay \$100.00 to your designated Option.

If you would like to participate in this program, contact me for details.

Thank You
