Precision Chem-Dry would like to thank the Las Vegas Metro Police for their service by giving them a **15% discount on any of our services** of \$100 or more plus give you a **free professional strength spotter** to use between cleanings! We clean carpet, upholstery, tile & grout using our patented product called the Natural. The natural is water based and safe for your family and pets! It is also green certified making it environmentally safe. Because of the low amount of moisture, we use, your carpets usually will dry in a couple of hours allowing you to get back to living in your home fast!

If you would like to take advantage of this special offer just call **702-438-2436** for an appointment and mention the code LVMPD and we will give you the **15% discount!** It is easy.

You can also go to our website for more information on our products and services but please call us for the discount. Our website is:
